Hollow Pine Retreat

Three nights. Twelve rooms.
A slower way to spend a day.

01 / DAY RHYTHM

A day with room to breathe.

Join a moment.
Keep the rest for yourself.

07:30 — Tea by the window
A warm start in the shared lounge.

09:00 — Breakfast at the long table
Seasonal plates and a plan for the weather.

11:00 — A walk through the pines
A gentle 45-minute loop with a host.

16:00 — An open afternoon
Read, sketch or sit beside the garden.

19:00 — Supper and a quiet evening
One shared meal, then time of your own.

Paths can be uneven. The garden loop is step-free in dry weather; ask a host about current conditions.
