COURTYARD

A STUDY IN QUIET LIVING

SPACE / LIGHT / DAILY USE

A room that works all day.

Good interiors begin with circulation. Leave a clear route between seating, storage and the kitchen. Give the most frequently used furniture the best light, and keep visual clutter away from the window.

SEATING

STORAGE

KITCHEN

ILLUSTRATIVE ADJACENCY / NOT A FLOOR PLAN

PLANNING / ROOM TO MOVE

Space	Planning allowance
Living zone	18–24 m²
Dining zone	8–12 m²
Storage wall	400–600 mm deep
Clear circulation	900 mm target

Illustrative planning allowances; not an advertised property or a construction specification.

Designed around daily life.

Space, light and the details of daily living.
